

Stokely Endorsed by Joe S. Crain, Jr

I have known Robert for a number of years both on a personal level and a professional level. I am proud and honored to have Robert as a great friend. By knowing Robert personally, I know how much time, effort, compassion and dedication that he puts into his job as our solicitor. While there are several elections this year that have me and many others undecided as to who will be the best qualified person to vote for, Casting a vote for Robert is one that I will do with great confidence and one that I would encourage anyone in Coweta County to do as well. I hope that our county is fortunate enough to have Robert serve us for many years to come. I would urge anyone who does not know Robert Stokely, to take the time to get to know him, It would be time well invested.

Warmest Regards,

Joe S. Crain, Jr.
